Our Values

Integrity
We value and respect the core beliefs we have developed as a community.

Inclusivity
Everyone teaches everyone in our school and encourages them to achieve their potential within a global context.

Innovation
We believe everyone in our school and encourage them to achieve their potential within a global context.

Our Goals

Learning and teaching
Delivering outstanding teaching and learning
• Being highly visible by: linking St Andrew’s future to the success of our students
• Ensuring the Board is effectively aligned to the strategic goals of the organisation
• Using an innovative and engaging curriculum that ensures all students achieve their full potential
• Ensuring the Board is a key driver in maximising the potential of all students

Engaging with our Community
• Leading by example to focus on the needs of teachers and staff
• Providing teachers with an appropriate performance development plan
• Using emerging technology to optimise and document aspects of the curriculum

Sustainable Future
• Developing a strategy for capital opportunities
• Improving the learning spaces to best meet the needs of students

Mission & Purpose
St Andrew’s School:
Educational excellence where all students can achieve their full potential.

Message from the Principal

Dear St Andrew’s Parents,

I am pleased to present the new Strategic Plan for St Andrew’s School. The plan outlines our strategy for the next five years, providing a clear focus and direction for the growth and development of our school.
