Lights!

Camera!

Action!
Annual Giving provides an opportunity for our St Andrew's families and old scholars to make an annual gift to the School for improvements to facilities for the benefit of our students. This year we encourage our community to make a donation towards our Lights! Camera! Action! Appeal to contribute towards an urgent upgrade of School Hall facilities to enhance the performance experience for our all our students.

The Hall, which was first opened in 1928, was purchased by the St Andrew's Foundation in 1994 to provide an important multi-pupose facility for the School. It is well used for concerts, the Year 4 Musical, drama club performances, presentations, assemblies, dances, the Year 7 Formal, Personal Projects display and many social occasions for the school community, including old scholars. But over time some elements are calling out for replacement. We are seeking your donation so that these improvements can be made as soon as possible.

You are invited to select the item that you wish to support with a donation. The replacement cost is shown in brackets. We feel confident that if we all make a contribution then we can achieve the total required for a quick turn around. All donations to the Foundation Building Fund are highly valued, tax deductible and will make a huge difference!
