Mother Teresa said “It is not how much we give but how much love we put into giving.”
The St Andrew’s School Circle of Friendship is a caring group from our School community who have volunteered to help School families or individuals when the need arises.

There are occasions where one person or several people can lend a hand to help out in circumstances that were not foreseen, such as illness, bereavement, new family additions or difficult times.

The St Andrew’s School Circle of Friendship will offer a maximum of two (2) weeks of support that has been agreed on by the family in need.

After two weeks support, if further help is required, our School Counsellor, Donna Longden, will take the steps to refer the family in need to appropriate outside support services.

The St Andrew’s School Circle of Friendship is an initiative looked after by Donna Longden, School Counsellor dlongden@standrews.sa.edu.au and appointed by the Development Office kbutler@standrews.sa.edu.au

This group will manage volunteers as they assist with various tasks, for example cooking a meal, helping with the laundry or shopping.

If you wish to register as a volunteer, please complete the form enclosed with this leaflet. Alternatively you may volunteer online. You will not be called on more than twice per year.

Privacy and confidentiality will be maintained at all time.

Please note, it is a requirement of The Association of Independent Schools of South Australia that everyone who is involved in School activities must have a police clearance.
