The St Andrew's School Foundation invites you to make your mark at the School by becoming part of our Walkway of Heroes.

The outline of your hand will be engraved on to a paver, along with your name and the date, then installed as part of the beautiful new entrance to the School. It's a wonderful way to contribute towards the School and to be represented visually forever as part of the community.

Everyone is invited to be involved – current students, parents and staff, as well as past parents, old scholars, grandparents and friends of St Andrew’s – a true reflection of our community throughout the years. Order as many pavers as you like for your family or perhaps dedicate a paver in memory of a special person.

To be a part of the Walkway of Heroes please return the form below with your details and payment to:
