Some players may have the opportunity to participate in finals at the end of Term 3.

There are two coaching sessions weekly throughout the chess season on days arranged according to the availability of the coach. These usually take place during lunchtimes at school. Debating also fosters analytical thinking skills and encourages the free exchange of ideas. The process of debating allows students to consider relevant issues from a philosophical, political, moral, economic or cultural point of view. The experience of participating in a debating team has the potential to develop confidence and leadership abilities.

Membership of a debating team will involve a weekly 1 hour practice session held on an afternoon. It is necessary for team members to spend some of their own time researching topics and meeting with their team members. A booklet will be distributed to members towards the end of Term 1 giving details and the debating schedule.

Debates are held on Monday, Tuesday, Wednesday or Thursday afternoons and commence at 4.15pm, 4.55pm or 5.35pm. There will be two debates held in Term 2 and two in Term 3. Y7 students may be involved in a final series held in Term 4. It is anticipated that debate coaching will be held on Mondays from 3.30pm to 4.45pm starting in Term 2.
