

St Andrew's School Walkway Pavers

Join in landscaping the Walkway with an individual hand engraved paver. Celebrating the creativity and generosity of the St Andrew's community.

Have you noticed how many people have their eyes down when they are walking along the pathway by the Gymnasium? Why? They simply can't resist admiring the individual handiwork of our students and families on the Walkway pavers!

Back in 2013 the School purchased the path which was known simply as the bark-chip lane and soon afterwards the Foundation began the project to pave and landscape the walkway that we enjoy today. Lighting and seating was designed with feature areas and an ANZAC Day Commemoration grant was received to include a memorial to the St Andrew's veterans from the First World War. The School community was invited to personally design a donated paver to the Walkway. The result is wonderful and provides a visual representation of our community of students, parents, staff, old scholars, grandparents and friends of the St Andrew's. It is a true reflection of our community throughout the years.

Each paver is engraved with an outline of the individual's hand, alongside their name and date. In the years to come it will be such a delight to see the hand of one so small.

A section of the Walkway will again be available for personalised pavers and everyone is invited to join in. You may order as many pavers as you like for your family or perhaps dedicate a paver in memory of a special person.

To be part of the Walkway please return the form with your paver details and payment (\$150 per paver):

St Andrew's School
22 Smith Street Walkerville South Australia 5081
Telephone: (08) 8168 5587
