Scholarship Details

St Andrew's School operates independently from the ACER Cooperative Testing program. This means that test results are used exclusively for determining scholarship recipients at St Andrew's School. We do not share these results with other schools.

Scholarships are awarded at the Principal's discretion and subject to availability. All decisions regarding scholarships are final, and the School will not enter into further discussion or dispute. Successful candidates may receive a remission of up to 50% of the base tuition fees each year, through to the completion of Year 6 at St Andrew's School. Please note that scholarship offers may be made for Term 3, 2026 or Term 1, 2027 commencement, pending availability. Scholarship recipients are eligible for one form of discount only and are not entitled to any additional discounts. Please refer to the Schedule of Fees and Charges available on our website.

Scholarship recipients are expected to demonstrate consistent academic excellence, a positive attitude towards learning, actively participate in extra curricular activities, and contribute significantly to the life of the School.

For successful external candidates, acceptance of the scholarship offer requires completion of the St Andrew's online enrolment form, payment of the Confirmation Fee and a Tuition Bond. This does not apply to current students.

Upon offer, external families will be invited to attend a school tour and meet with a member of our Executive Leadership Team.
