### Scholarship Details

St Andrew's School operates independently from the ACER Cooperative Testing program. This means that test results are used exclusively for determining scholarship recipients at St Andrew's School. We do not share these results with other schools, and we do not provide parents with their child's ACER results report.

Scholarships are awarded at the Principal's discretion, subject to availability. Successful candidates may receive a remission of up to 50% of the base tuition fees each year, through to the completion of Year 6 at St Andrew's School. Please note that offers made be made for Term 1 or Term 3 commencement. Additionally, scholarship recipients are eligible for one form of discount and are not able to receive additional discounts. Please refer to the Schedule of Fees and Charges available on our website.

Scholarship recipients are expected to demonstrate consistent academic excellence, a positive attitude towards learning, actively participate in co-curricular activities, and contribute significantly to the life of the School.

For successful external candidates, acceptance of the scholarship offer requires completion of the St Andrew's application form, payment of the Confirmation Fee, and a Tuition Bond. This does not apply to current students.

Upon offer, families will be invited to attend a school tour and meet with a member of our Executive Leadership Team.
